

## Die Punching Machine with Hot Foil Attachment

---

### Cost-Effective Hot Foil Stamping Solution

There is no need for an extra machine for hot foil stamping. Simply attach this Hot Foil Stamping Attachment to your Die Cutting Machine and you're ready for hot stamping operations. This attachment significantly reduces costs and saves valuable floor space.

#### Key Features

- Integrates seamlessly with die cutting machines
- Available in two models: Double Roll and Triple Pull
- Capable of up to two impressions at a time

- Space-saving design eliminates need for separate equipment
- Cost-effective solution for hot stamping needs

### Technical Specifications

Machine Size	Platen Size	Hot Plate Size	Heating Load
20" x 26"	23" x 29"	18" x 23"	3 KW
20" x 30"	23" x 33"	18" x 23"	3 KW
22" x 32"	25" x 35"	18" x 23"	3 KW
25" x 37"	28" x 40"	19" x 25"	4 KW
32" x 42"	36" x 46"	20" x 30"	4.5 KW

### Applications

Perfect for businesses looking to add hot foil stamping capabilities to their existing die cutting operations. Ideal for packaging, invitation printing, labels, and premium product finishing.
