

# Paper Cutting Machine

---

## Professional Paper Trimming Solution

This paper cutting machine delivers precision cutting for various paper and board materials. Available in multiple sizes with motorized back gauge capabilities, it provides efficient and accurate cutting for commercial and industrial applications.

### Key Features

- Multiple size options for different production needs
- Motorized back gauge for precise positioning
- Professional-grade cutting mechanism
- Heavy-duty clamp system
- Adjustable cutting speeds
- Safety-focused design
- Reliable performance for high-volume use

### Technical Specifications

Model	Cutting Length	Cutting Width	Clamp Opening	Cuts per Minute (approx)	Power Required	Power for Motorized Back Gauge	Machine Dimensions
33"	840 mm (33")	840 mm (33")	100 mm (4")	30	2 H.P.	½ H.P.	1650 x 1650 mm
37"	900 mm (37")	900 mm (37")	113 mm (4½")	25	3 H.P.	½ H.P.	1950 x 1950 mm
43"	1070 mm (43")	1070 mm (43")	125 mm (5")	20	3 H.P.	½ H.P.	2150 x 2150 mm

## Applications

Perfect for printing facilities, commercial packaging operations, and paper processing plants. Ideal for operations requiring precise, repetitive cuts on paper, cardboard, and similar materials. Suitable for both small-batch custom work and high-volume production runs.
